

I am a current listener to K-LOVE radio station which is heard on FM translators. I would ask that you NOT ALLOW the LPFM stations take priority over the FM translator service in our local community, on stations 89.9, 96.3, & 104.3. The K-LOVE radio station has a positive and encourageing impact on our community and all across America with family friendly programming. Allowing us and our children to listen and not be fearful of the subject matter that is broadcasted. I am concerned that the LPFM stations would force these K-LOVE stations off the air if the proposed rule changes are enacted. Again I would ask that you NOT PROPOSE to expand this service. Please allow our families to hear the wholesome values that are broadcasted thru K-LOVE. A concerned citizen, Eva Hall
